

South Hall County Voters,

It is my pleasure to write to you for the purpose of endorsing Craig Lutz for Hall County Commission. Craig and I have been friends and neighbors for several years, but it has been while serving with him over the last 2 years that has convinced me that he is the right person to represent us in South Hall County.

Craig, while a council member, always looked past the city limits to see what was best for the area. He has been willing to lead when the times were difficult and we were in the minority. He is a very principled man that has always displayed conservative values.

If you are tired of the good ole boy network in the county, the low standard of ethics, and the use of tax dollars like it were personal bargaining chips, then look for a candidate that has experience fighting for citizens of South Hall County; vote for Craig Lutz.

Sincerely,

Chris Fetterman
Flowery Branch City Council
