

To the Voters of Hall County

I am pleased to endorse Craig Lutz as he commits to serve the residents of Hall County as District 1 Commissioner. He served as a Council Member on the Flowery Branch City Council for over 2 years and helped to bring stability and respectability to our City. He was totally dedicated to the needs of the residents of our city and has gone out of his way to listen to the residents of Flowery Branch even when he knew he was on the bottom end of a 3/2 vote.

I see Craig as a long term Hall County resident who is a family man with strong Christian beliefs.

I am truly sorry to see Craig leave the Flowery Branch Council, but know that all of South Hall will benefit when he takes his seat as County Commissioner for our District. Craig is an independent thinking individual of the highest integrity who will not allow peer pressure to alter his values or beliefs. Our citizens deserve this type of individual to represent them. Flowery Branch has changed it's image and now it is time for Hall County government to do the same.
